Devon's Kitchen + Martenette Farms
Devon's Kitchen is teaming up with Martenette Farms! CSA stands for Community Supported Agriculture. Members pay upfront for a seasonal farm share. Each week, from May through September, members choose from seasonally available produce, and it gets delivered to your door! Dreamy...

Support a local farm while nourishing the family. Devon's Kitchen will offer cooking classes throughout the season to help you manage the influx of veg!

In two weeks, DK and MF are collaborating to offer a sample of what you can expect throughout the CSA season. Martenette Farms will bring to my kitchen what is fresh that day, and the class will create a beautiful lunch to be shared together around the table. Andrea and Tony will join the fun and be available to answer questions about CSA.

When: Friday, October 20th

Time: 10am - 1pm Cost: \$60
